

## **Touchdown Dance Newsletter Summer 2003**

### **News up-date Touchdown**

#### **Dance Training**

We are currently delivering training to people who aspire to work with Touchdown Dance in the future, or independently, using the core techniques. This is available to people who have dance training and are interested in the methods and processes of Touchdown Dance. The training is free but you will have to cover your expenses. The training covers lesson plans, project management and practitioner skills. Please contact us for more details. We are currently planning more training sessions for next year if you are interested please get in touch.

Please include a written letter and your contact details.

#### **Audio CD-ROM**

The updated audio version is almost ready, it has been a mammoth exercise but hopefully worthwhile. Over 300 pages read and recorded are soon to be compressed and laid down on the CD-ROM. The price is the same for the non-audio, (£12 for individuals, £20 for schools £35 for Libraries and FE/HE)
